

College of Education

College of Education (Islamic Education)

Minimum Requirement for major subjects

■ **General Education Diploma and equivalencie**

Score the following:

- Minimum of (**90%**) in the General Education Diploma and .
- Must study (Islamic Education, Core Arabic Language and English Language) and score minimum of (**65%**) in each of them

Tiebreaker

- Islamic Education
- Core Arabic Language

Study Language:

- Arabic language

■ **A-LEVEL -Certificates**

- Student must study 2 subjects at least from (A-level) from the major's required subjects .
- Must study (Islamic Education or Islamic Studies, Arabic Language) and score minimum (**C**) grade from the (A-level).

■ **International baccalaureate Diploma (IBD)**

Must attain 30 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

- Must study (Islamic Education, Arabic Language) and score minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)**.

■ **International baccalaureate Certificate (IBC)**

Must attain 33 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

- Must study (Islamic Education, Arabic Language) and score minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)**.

Other Information

■ **Pass the Interview**

College of Education (English)

Minimum Requirement for major subjects

■ **General Education Diploma and equivalencie**

Score the following:

- Minimum of **(90%)** in the General Education Diploma and .
- Minimum of **(90%)** grade in Core English Language and .
- Must study (Islamic Education, Core Arabic Language (and score minimum of **(65%)** in both of them

Tiebreaker

- Core English language

Study Language:

- English language

■ **A-LEVEL -Certificates**

Student must study 2 subjects at least from (A-level) from the major's required subjects

Score the following:

- Minimum of **(B)** grade in English Language from (A-level) and . Must study (Islamic Education or Islamic Studies, Arabic Language (and score minimum of **(C)** in both of them.

■ **International baccalaureate Diploma (IBD)**

Must attain 30 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following:

- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in English Language And .
- Must study (Islamic Education, Arabic Language, language equations, Studies in Language and Literature (and score minimum of **(4)** points in 2 subjects from **(HL)** or minimum of (5) points in 2 subjects from **(SL)**

■ **International baccalaureate Certificate (IBC)**

Must attain 33 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following: .

- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in English Language And .
- Must study (Islamic Education, Arabic Language, language equations, Studies in Language and Literature (and score minimum of **(4)** points in 2 subjects from **(HL)** or minimum of (5) points in 2 subjects from **(SL)**

Other Information

■ **Pass the Interview**

College of Education (Arabic)

Minimum Requirement for major subjects

■ **General Education Diploma and equivalence**

Score the following:

- Minimum of **(90%)** in the General Education Diploma and
- Must study following subject (Islamic Education, Core Arabic Language and Core English language) and score minimum of **(65%)** in each of them

Tiebreaker:

- Core Arabic Language Study

Language:

- Arabic language

■ **A-LEVEL -Certificates**

Student must study 2 subjects at least from (A-level) from the major's required subjects .

- Must study following subject (Islamic Education or Islamic Studies, Arabic Language) and score minimum of (C) grade from (A-level).

■ **International baccalaureate Diploma (IBD)**

Must attain 30 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL) .

- Must study following subject (Islamic Education, Arabic Language) and score minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)**.

■ **International baccalaureate Certificate (IBC)**

Must attain 33 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL) .

- Must study following subject (Islamic Education, Arabic Language) and score minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)**.

Other Information

■ **Pass the Interview**

College of Education (Instructional and Learning Technologies)

Minimum Requirement for major subjects

■ **General Education Diploma and equivalencie**

Score the following:

- Minimum of **(90%)** in the General Education Diploma and
- Must study following subject: (Core English Language, Core
- Arabic Language, Mathematics or Advanced Mathematics or Core
- Math) and score minimum of **(65%)** in each of them

Tiebreaker

- Core English Language

Language:

- English language

■ **A-LEVEL -Certificates**

Student must study 2 subjects at least from (A-level) from the major's required subjects .

- Must study following subject (Arabic Language , Math or Math Studies) and score minimum of **(C)** grade from (A-level)

■ **International baccalaureate Diploma (IBD)**

Must attain 30 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL) .

- Must study 2 subject only from (Arabic Language and Mathematics:(Analysis and Approaches) or (Applications and Interpretations (and score minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)**

■ **International baccalaureate Certificate (IBC)**

Must attain 33 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL) .

- Must study 2 subject only from (Arabic Language and Mathematics: (Analysis and Approaches) or (Applications and Interpretations (and score minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)**

Other Information

■ **Pass the Interview**

College of Education (**Chemistry**)

Minimum Requirement for major subjects

■ **General Education Diploma and equivalencie**

Score the following:

- Minimum of (**90%**) in the General Education Diploma and
- A minimum of **70%** in the following Subjects: (Advanced Mathematics and Core English) and
- A minimum of (**80%**) in Chemistry
- A minimum of (**70%**) in Biology or Physic

Tiebreaker:

- Chemistry
- Advanced Mathematics
- Core English

Study Language:

- English language

■ **A-LEVEL -Certificates**

Student must study 2 subjects at least from (A-level) from the required subject

Score the following:

- Minimum (**C**) from (A-level) or minimum (**B**) from (AS-level) in Mathematics and
- Minimum (**B**) from (A-level) or minimum (**A**) from (AS-level) in Chemistry and
- Must study one subject only from the following subjects (Physics or Biology) and score minimum (**C**) from (A-level) or minimum (**B**) from (AS-level)

Tiebreaker:

- Chemistry
- Mathematics Study

Language:

- English language

■ **International baccalaureate Diploma (IBD)**

Must attain 30 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following

- : Minimum of (**4**) points from (**HL**) or minimum of (**5**) points from (**SL**) in Mathematics: Analysis and Approaches and
- Minimum of (**5**) points from (**HL**) or minimum of (**6**) points from (**SL**) in Chemistry and
- Must study one subject only from the following subjects (Physics or Biology) and score minimum of (**4**) from (HL-level) or minimum of (**5**) points from (SL-level)

Tiebreaker:

- Chemistry
- Mathematics: Analysis and Approaches

Study Language:

- English language

■ **International baccalaureate Certificate (IBC)**

Must attain 33 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following:

- Minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)** in Mathematics: Analysis and Approaches and
- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in Chemistry and
- Must study one subject only from the following subjects (Physics or Biology) and score minimum of **(4)** points from (HL-level) or minimum of **(5)** points from (SL-level)

Tiebreaker:

- Chemistry
- Mathematics: Analysis and Approaches Study

Language:

- English language

College of Education (**Biology**)

Minimum Requirement for major subjects

■ **General Education Diploma and equivalencie**

Score the following:

- Minimum of (**90%**) in the General Education Diploma and
- A minimum of **70%** in the following Subjects: (Advanced Mathematics and Core English) and
- A minimum of (**80%**) in Biology
- A minimum of (**70%**) in (Chemistry or Physics)

■ **A-LEVEL -Certificates**

Student must study 2 subjects at least from (A-level) from the required subject

Score the following:

- Minimum (**C**) from (A-level) or minimum (**B**) from (AS-level) in Mathematics and
- Minimum (**B**) from (A-level) or minimum (**A**) from (AS-level) in Biology and
- Must study one subject only from the following subjects (Physics or Chemistry) and score minimum (**C**) from (A-level) or minimum (**B**) from (AS-level)

Tiebreaker:

- Biology
- Mathematics

Study Language:

- English language

■ **International baccalaureate Diploma (IBD)**

Must attain 30 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following:

- Minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)** in Mathematics: Analysis and Approaches and
- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in Biology and
- Must study one subject only from the following subjects (Physics or Chemistry) and score minimum of **(4)** from (HL-level) or minimum of **(5)** points from (SL-level)

Tiebreaker:

- Biology
- Mathematics: Analysis and Approaches

Study Language:

- English language

■ **International baccalaureate Certificate (IBC)**

Must attain 33 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following:

- Minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)** in Mathematics: Analysis and Approaches and
- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in Biology and
- Must study one subject only from the following subjects (Physics or Chemistry) and score minimum of **(4)** points from (HL-level) or minimum of **(5)** points from (SL-level)

Tiebreaker:

- Biology
- Mathematics: Analysis and Approaches

Study Language:

- English language

College of Education (Mathematics)

Minimum Requirement for major subjects

■ General Education Diploma and equivalencie

Score the following:

- Minimum of (**90%**) in the General Education Diploma and
- A minimum of (**70%**) in Core English and
- A minimum of (**80%**) in Advanced Mathematics and A minimum of (**70%**) in two of the following subjects: (Biology, Chemistry, Physics)

Tiebreaker:

- Advanced Mathematics

Core English Study Language:

- English language

■ A-LEVEL -Certificates

Student must study 2 subjects at least from (A-level) from the required subject

Score the following:

- Minimum (**B**) from (A-level) or minimum (**A**) from (AS-level) in Mathematics and
- Must study 2 subjects only from the following subjects (Chemistry, Physics, Biology) and score minimum (**C**) from (A-level) or minimum (**B**) from (AS-level)

Tiebreaker:

- Mathematics

Study Language:

- English language

■ **International baccalaureate Diploma (IBD)**

Must attain 30 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following:

- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in Mathematics: Analysis and Approaches and
- Must study 2 subjects only from the following subjects (Chemistry, Physics, Biology) and score minimum of **(4)** from (HL-level) or minimum of **(5)** points from (SL-level)

Tiebreaker:

- Mathematics: Analysis and Approaches

Study Language:

- English language

■ **International baccalaureate Certificate (IBC)**

Must attain 33 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following:

- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in Mathematics: Analysis and Approaches and
- Must study 2 subjects only from the following subjects (Chemistry, Physics, Biology) and score minimum of **(4)** points from (HL-level) or minimum of **(5)** points from (SL-level)

Tiebreaker:

- Mathematics: Analysis and Approaches

Study Language:

- English language

College of Education

(Physics)

Minimum Requirement for major subjects

■ **General Education Diploma and equivalencie**

Score the following:

- Minimum of **(90%)** in the General Education Diploma and
- A minimum of **70%** in the following Subjects: (Advanced Mathematics and Core English) and
- A minimum of **(80%)** in Physics
- A minimum of **(70%)** in (Biology or Chemistry)

Tiebreaker:

- Physics
- Advanced Mathematics
- Core English

Study Language:

- English language

■ **A-LEVEL -Certificate**

Student must study 2 subjects at least from (A-level) from the required subject

Score the following:

- Minimum (**C**) from (A-level) or minimum (**B**) from (AS-level) in Mathematics and
- Minimum (**B**) from (A-level) or minimum (**A**) from (AS-level) in Physics and
- Must study one subject only from the following subjects (Biology or Chemistry) and score minimum (**C**) from (A-level) or minimum (**B**) from (AS-level)

Tiebreaker:

- Physics
- Mathematics

Study Language:

- English language

■ **International baccalaureate Diploma (IBD)**

Must attain 30 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following:

- Minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)** in Mathematics: Analysis and Approaches and
- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in Physics and
- Must study one subject only from the following subjects (Biology or Chemistry) and score minimum of **(4)** from (HL-level) or minimum of **(5)** points from (SL-level)

Tiebreaker:

- Physics
- Mathematics: Analysis and Approaches

Study Language:

- English language

■ **International baccalaureate Certificate (IBC)**

Must attain 33 points out of total of 45 points and major subjects will be counted from both levels High Level (HL) and Standard Level (SL)

Score the following:

- Minimum of **(4)** points from **(HL)** or minimum of **(5)** points from **(SL)** in Mathematics: Analysis and Approaches and
- Minimum of **(5)** points from **(HL)** or minimum of **(6)** points from **(SL)** in Physics and
- Must study one subject only from the following subjects (Biology or Chemistry) and score minimum of **(4)** points from (HL-level) or minimum of **(5)** points from (SL-level)

Tiebreaker:

- Physics
- Mathematics: Analysis and Approaches Study

Language:

- English language
